YOUR WORLD,
STYLED YOUR WAY.

INDIA'S NO.1 MDF COMPANY®

About Greenpanel Industries Ltd.

Greenpanel is India's largest wood panel manufacturer, known for delivering world-class quality across Medium Density Fibreboard (MDF), HDF, Plywood, Pre-laminated MDF, and Wooden Flooring.

With state-of-the-art manufacturing facilities in Uttarakhand and Andhra Pradesh, innovation and sustainability are embedded in everything we do.

Our wood panels are crafted from 100% renewable agro-forestry wood, reflecting a strong commitment to environmental responsibility.

As India's largest MDF manufacturer, we boast an annual production capacity of 8,50,000+ cubic meters, supported by an extensive nationwide network that ensures easy access to our premium products.

Art's Stroke

Art is freedom, and each person has a unique interpretation. Some prefer staying within the lines, while others crave exploration and some embrace abstraction. Similar to an artist's brush strokes, the various shades of Pre-laminated MDF in our collection showcase a myriad of possibilities. This collection is crafted for individuals who revel in creativity and strive to stand out. Available in Marble, Stone and abstract designs, this range caters to those seeking a distinctive touch in their surroundings.
