Dear Sirs/Madam,

Sub: Commissioning of MDF plant in Tirupati district, Andhra Pradesh

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and in continuation of our letter dated July 22, 2022, regarding the outcome of the Board Meeting held on the same date, we are pleased to inform you that the commissioning of a new MDF plant at our existing unit in the Tirupati district (Andhra Pradesh), with an installed capacity of 2,31,000 CBM per annum, has been successfully completed. The company has commenced trial production of the thin MDF range, with thicknesses ranging from 1.5 mm to 1.7 mm, as of today.

The commissioning of the plant experienced delays from the initially expected timeline due to the late delivery of imported plant and machinery, caused by the ongoing geopolitical crisis.

We will notify you once commercial production commences in due course.

Kindly take the above on record.

Thanking you,

Yours Faithfully,
For **Greenpanel Industries Limited**
